School of Energy & Environment

for Undergraduate Programmes Admission

JUPAS Applicants

Hong Kong Diploma of Secondary Education (HKDSE) students may apply for admission to first-year studies in our degree programmes via JUPAS (JUPAS Catalogue No.: JS1051). During their first year, students will be admitted with an undeclared major and study a broad range of Gateway Education (GE) courses as well as core-curricular courses designed by the School. After one year of study in the School, they will enter one of the following majors:

- Bachelor of Engineering in Energy Science and Engineering (BEngESE)
- Bachelor of Engineering in Environmental Science and Engineering (BEngEVE)

Top 20% of students in the School will be allocated their first choice of major upon satisfying the selection criteria stipulated by the University while the remaining 80% of students will be allocated a major subject to availability of places and the selection criteria stipulated by SEE.

Entrance Requirements

For admission to the School of Energy and Environment, JUPAS applicants must meet the requirements as shown in the tables below. The levels indicated are the minimum acceptable but possession of such qualifications in no way guarantees acceptance.
