

Organized by the Hong Kong America Center
Supported by the Konrad Adenauer Foundation

The G-20 and the Future of Global Economic Policy

A Model-UN Style Simulation of the G-20 Summit in Germany

Students will

- form teams to play the roles of leaders of the member states
- meet other university students
- represent your countries in G-20 deliberations
- hear from experts in global economy and governance

We welcome undergraduate and postgraduate students, local and international, from all disciplines to participate in the simulation at no charge.
