Run Look Ahead Audit

Enter the courses you are planning to take in future. You can edit the course list by using the Remove button.
After adding all planned courses, click “Process New” to run an audit.

A Look Ahead worksheet is similar to a regular worksheet. You can view the selected courses from the drop-down boxes above.
The courses you plan to take are marked as “PLAN”. If you have entered a wrong course code, the course will not appear in the audit worksheet.

If you require assistance in using “Look Ahead”, please contact the Academic Regulations and Records Office.
