    Yes, supervisor can view students’ past records of recruiting unit(s) and job nature, if any, in the online application form.

17. How do recruiting units know whether the non-local student applicant has a valid student visa with NOL or not?
    It will be shown on the student record. The validity of NOL will be vetted by Career and Leadership Centre.

18. Is the CIS certificate awarded by respective recruiting unit(s) or by City University of Hong Kong?
    CIS certificates will be issued to eligible student helpers by the Career and Leadership Centre, City University of Hong Kong upon satisfactory completion of the projects (including feedback and evaluation both from supervisors and students).
19. Once the CIS projects are approved, can project supervisors adjust the assignment period at their own wish?
   No, the approved assignment period of CIS projects cannot be extended without further approval from the CIS Committee (for CIS projects).

**Funding Matters**

20. What is the funding subsidy for CIS?
   CIS will get 2/3 subsidy from the university of which 1/3 is downloaded upon satisfactory completion of the internship project.

21. Can I use CIS to hire interns during summer?
   Yes, but the funding should be from CIS and not from the institutional matching fund assigned for internship.

22. If the CIS students cannot fulfill the minimum assigned working hours (i.e. 150), will the supervisor be eligible to receive the extra 1/3 CIS subsidy?
   No, upon successful completion of CIS, students with satisfactory performance will be issued with a certificate on request, and an additional one-third of the total cost will be released as a lump sum payment to the department/project, thus making the total subsidy of two-third of the total cost from the institutional budget.

23. Will students’ MPF be taken care of by the CityU’s Central Fund?
   Yes, all MPF will be borne by CityU’s Central Fund. Recruiting units are only required to cover 1/3 of the total stipend for CIS projects.

24. For funding download to CIS projects, how long does it take for receiving 1/3 subsidy from the University?
   Upon satisfactory completion of the requirements including completion of training, staff and student evaluations, supervisors can submit request for reimbursement online through AIMS. The process will normally take about 2 weeks and the funding will only be downloaded by month end. If you submit the online reimbursement request to Career and Leadership Centre before 15th of a month, your claim will be refunded by end of the month. Late submission (after 15th of a month) will be processed in the following month.

25. Can I request for download of funds or fund transfer to other project which is not the original project approved by CIS?
   No, download of funds should be made to the designated project originally approved in the first place. Accordingly, request for subsequent transfer of funding from one project to another will not be entertained for CIS once approved by Career and Leadership Centre or Associate Provost (Student Life) appointed committee as appropriate.
