**Graduate of Associate of Business Administration (Global Logistics and Trade Finance) in 2007**

**Student of Bachelor of Business Administration (Management Science), City University of Hong Kong**

The ABA programme in Global Logistics & Trade Finance has sharpened my presentation, communication and problem-solving skills, and trained me to become a statistical and analytical professional. I was well prepared for advanced studies. The exchange program and company visits organized by lecturers of the program have widened my prospective, which will be of great advantage to both my future career and further studies.
