

Mr. Mo Jiezhang (Dr. Doris W. T. Au's PhD student) won the Best Presentation Award for his outstanding oral presentation at **the 19th International Symposium on Pollutant Responses in Marine Organisms (PRIMO 19)** held in **Matsuyama, Japan** on June 30 – July 3, 2017. The award was granted by the prestigious Society of Environmental Toxicology and Chemistry (SETAC). The PRIMO is a signature international conference on environmental sciences, which has been held biennially in America and Europe since 1981.

19th International Symposium on
Pollutant Responses in Marine Organisms
Matsuyama Japan, 30 June - 3 July, 2017
