

Yvonne, Chan Sze Wan

Graduate of Associate of Business Administration in Accountancy in 2005

Tax Associate in Aoba CPA Limited

I think studying in the programme of ABAA at CCCU is a commitment supported by a group of sincere professors, who guide us on many things, from assignments to career planning. Needless to say, I am very glad to have made so many friends here. They can share every important moment and struggle for a similar destination with me.

Now a few years after graduation, I can say I am very proud to be a graduate of the CCCU's ABAA programme.
