Officium et Civitas 敬業樂群

The University motto encapsulates our educational philosophy and the attitude we want our students to develop. The first two Chinese words 敬業 encompass the requirement to combine academic professionalism and career ethics. The last two words 樂群 emphasise personal growth and development, and advocate group spirit and the need to care for society.

Officium et Civitas is the Latin translation for the motto. Officium denotes a high-minded sense of duty. Civitas refers to both town/city and “union of citizens”.
