Chan Tak-fung (陳德偉) of the School of Creative Media received the DFA Hong Kong Young Design Talent Award 2018 by the Hong Kong Design Centre.

Chan Tsz-ching (陳梓澄) and So Nga-yin (蘇雅言) of the Department of Systems Engineering and Engineering Management won the First Runner-up in the Classified Post Hackathon (Media Category) (2018) organised by Classified Post.

Chen Zeshan (陳德峰) and Lam Wah-shing (林卓鴻), of the Department of Electrical Engineering won the Gold Award of the ASM Technology Award 2018.

Chen Wing-zaa (陳振達), Fan Cheuk-hang (范徹翔), and Wong Man-fai (黃敏輝) of the Department of Computer Science (CS) won the Second Runner-up in the Microsoft Imagine Cup National Final 2018 organised by Microsoft Hong Kong. They teamed up with Cheung Ka-ho (張嘉豪), Hang Ching-nam (樑政南) and Lau Lee (黎莉) of the same department to win the Second Prize in the Intel Cup Undergraduate Electronic Design Contest 2018 organised by Intel.

Chang Zeshan (常澤山) of the Department of Electronic Engineering won the Best Paper Award in the Pacific Rim Conference on Lasers and Electro-Optics (2018) co-organised by Hong Kong Polytechnic University and the IEEE Photonics Society HK Chapter.

Chau Long-yin (周朗言) of the Division of Building Science and Technology won the CIoB Hong Kong Outstanding Student Awards 2017/2018 by the Chartered Institute of Building (CIoB) Hong Kong Section.
Prizes and Awards

Chen Gaillan (陳嘉霖) of the Department of Biomedical Engineering won the Young Scientist Award (2019) by the Chinese Association of Automation.

Cheng Yu-kai (鄭皓晟), Michelle Lam Wing-yan (林穎欣), Lam Nga-vaai (林格青) and Li Shing-hin (李承軒) of the Department of Electronic Engineering, and Mok Tsz-lung (莫芷伶), Sze Tsz-ho (謝子浩) of the Department of Mechanical Engineering teamed up to win the Third Prize of the 3rd Underwater Robot Competition (2018) organised by the Smartsea Technology Ltd, Shanghai.

Cheng Yu-kai (鄭皓晟), Li Shing-hin (李承軒) and Yue Man-hon (顏國輝) of the Department of Electronic Engineering, and Olive Chung Wing-lam (鍾婉銘), Mok Tsz-lung (莫芷伶), Sze Tsz-ho (謝子浩), Yeung On-ik (葉安力) of the Department of Mechanical Engineering teamed up to win the Innovative Engineering Prize of the Singapore Autonomous Underwater Vehicle Competition (2019) organised by the IEEE Oceanic Engineering Society, Singapore.

Cheng Zhan (成社) of the Department of Architecture and Civil Engineering won the Ringo Yu Prize for Best PhD Thesis in Geotechnical Studies (2018) by the Hong Kong Institution of Engineers—Geotechnical Division.

Nicholas Cheuk Yick-him (鍾逸銘) of the School of Creative Media was the winner of the Higher Education Institution Group of the Ministry of Education of the People's Republic of China.

Chou Chi-kai (曹基鈞) of the Department of Computer Science teamed up to win the Second Prize in the 11th National University Student Social Practice and Science Contest (Analytical and Environmental Chemistry) respectively in the School of Chemistry and Best Poster Award in the 14th Golden Sugarcane Film Festival (2019) organised by the Institute of Ocean and Earth Sciences, University of Malaya.

Deng Zhiqian (鄭志堅) and Tam Dick-yan (陳德淳) of the Department of Computer Science received the Best Poster Award in the 26th Symposium on Chemistry Postgraduate Research in Hong Kong organised by the Chinese University of Hong Kong.

Fan Cheuk-hang (范銘翔) and Wong Man-fai (黃敏輝) of the Department of Computer Science teamed up to win the Second Prize in the 2018 China Collegiate Computing Contest—Mobile Application Innovation Contest organised by Apple Incorporated and Zhejiang University.

Chou Chi-kai (曹基鈞) of the Department of Computer Science won the First Runner-up in the Young Professionals Exhibition & Competition 2018 organised by the Institution of Engineering and Technology, and the Third Prize in the 5th Hong Kong University Student Innovation and Entrepreneurship Competition 2019 organised by the Hong Kong New Generation Cultural Association.

Chui Chi-him (徐志成) of the Department of Computer Science won the IET Prize 2018 by the Institution of Engineering and Technology.

Walter Dellianti of the Department of Biomedical Sciences won the Marine Pollution Bulletin—Best Oral Award in the 9th International Conference on Marine Pollution and Ecotoxicology (2019) organised by the University of Hong Kong and the State Key Laboratory of Marine Pollution, CityU, and the Best Oral Presentation Award in the 3rd South China Sea Conference (SCS2019) organised by the Institute of Ocean and Earth Sciences, University of Malaya.
Prizes and Awards

Feng Duhua (洪錦輝) of the Department of Mathematics won Second Prize in the Contemporary Undergraduate Mathematics Contest in Modeling [2018] by the China Society for Industrial and Applied Mathematics.

Fung Chi-hin (馮志軒) of the Department of Architecture and Civil Engineering won Third Prize in the BSO MES Research Prize [2018] by the Building Services Operation and Maintenance Executives Society (BSOMES).

Ho Cheuk-lung (何俊隆) of Computer Science (CS) teamed up to win Second Runner-up in the Media Section in the 2018 ACM–ICPC Asia Xuzhou Regional Contest hosted by China University of Mining and Technology.

Yin Zijie (殷智傑) of the Department of Economics and Finance was awarded the Certificate of Achievement [2018] in the 19th Annual Rotman International Trading Competition organised by the Rotman School of Management, University of Toronto.

Jin Shutong (金善彤) of the Department of Electronic Engineering, Wang Fangzhou (汪方舟) and Zheng Leqian (鄭樂謙) of the Department of Computer Science teamed up to win the Bronze Medal in the 2018 ACM–ICPC Asia Xuzhou Regional Contest hosted by China University of Mining and Technology.

Christine Maria Kaiser of the School of Creative Media received the Emerging Scholar Award [2019] by the Common Ground Research Networks, University of Illinois Research Park, US.

Ke Linyuwen (柯林燁文) of the Department of Architecture and Civil Engineering received the Best Student Award by the Hong Kong Institution of Engineers—Structural Division.

Ke Xiaobo (柯曉波) of the School of Creative Media was named one of the Excellent Postgraduate Students in Guangdong Province [2018] by the Department of Education of Guangdong Province.

Kwok Ping-chung (郭秉聰) and Ng Tsz-wing (盧樹輝) from the School of Creative Media won the Student Innovation Grand Award in the Hong Kong ICT Innovation and Entrepreneurship Competition organised by the Hong Kong New Generation Cultural Association. They also won the Student Innovation Grand Award in the Hong Kong ICT Awards [2019] organised by the Office of the Government Chief Information Officer, HKSAR. Ken Hung Kai-chun (洪啟晉) and Eric Lo Chi-wing (盧志榮) from the School of Creative Media received the Student Innovation (Post-Secondary and Undergraduate) Silver Award in the same competition.

Hou Yu-cheng (侯育成) of the School of Data Science won the Championship of the Chinese Calligraphy Competition [2018] organised by the Shun Shui Pu Arts Association.

Huang Jianpan (黃建攀) of the Department of Biomedical Engineering won the Young Investigator Award at the 7th International Workshop on Chemical Exchange Saturation Transfer Imaging [2018] organised by the International Health Exchange and Cooperation Center, National Health Commission of China.

Huang Weiwei (黃維薇), Luu Songyang (呂松陽) and Xu Zhe (徐哲) teamed up to win the Third Prize in Huawei Cup. IC Competition for Postgraduate Students in China [2018] organised by the China Academic Degrees & Graduate Education Development Centre and the Children & Youth Science Centre of the China Association for Science and Technology.

Ratchaneel Janthanit and Tristan Lau Chun-shing (樑俊軒) of the Department of Management and Leung Chin-chin (盧志榮) and Emma Cockburn of the Department of Marketing teamed up to win Second Runner-up in the HKIE-M1 Division Student Project Competition 2018/19.

Ke Linyuwen (柯林燁文) of the Department of Architecture and Civil Engineering won the Best Student Award by the Hong Kong Institution of Engineers—Structural Division.

Ke Xiaobo (柯曉波) of the School of Creative Media was named one of the Excellent Postgraduate Students in Guangdong Province [2018] by the Department of Education of Guangdong Province.

Chair Professor Sam Kwong Tak-wu (鄺得互講座教授) of the Department of Computer Science won the Best Paper Award 2018 in the 17th IEEE International Conference on Cognitive Informatics & Cognitive Computing.

CityU researchers won two gold medals and two silver medals at the 47th International Exhibition of Inventions of Geneva, Switzerland. The winners of the gold medals were Professor Michael Lam Hon-wah (林漢華教授) of the Department of Chemistry and Dr Roy Vellaisamy of the Department of Materials Science and Engineering; and Chair Professor Michael Yang Mengsu (楊夢甦講座教授) of the Department of Biomedical Sciences. The winners of silver medals were Chair Professor Lu Jian (呂堅講座教授) of the Department of Mechanical Engineering; and Professor He Xiaojian (何小標教授) of the Department of Architecture and Civil Engineering.

Chair Professor Lee Chun-sing (李鎮江博士) of the Department of Computer Science won the Best Paper Award by the IEEE International Conference on Industrial Internet 2018.

Chair Professor Lee Chun-sing (李鎮江博士) of the Department of Chemistry received the Jiangsu Provinces Science and Technology First Prize Award (2018) by the People's Government of Jiangsu Province.

Dr Howard Leung Wing-ho (劉凱博士) student Men Jia(江夢琳) of the Department of Computer Science won the Best VC Paper Award in the Computer Graphics International 2019 organised by the Computer Graphics Society.

Mr Li Lin(李麟先生) of the Department of Chinese and History won the Outstanding Paper Award—Short Paper Category in the International Conference on Teaching, Assessment, and Learning for Engineering (2018) organised by the Institute of Electrical and Electronics Engineers.

Dr Liu Kai (劉凱博士) of the Department of Infectious Diseases and Public Health was named as the class of 2019 “New Faces of ASABE—Professionals” by the American Society of Agricultural and Biological Engineers (ASABE).
Prizes and Awards

Dr Tommy Lo Yiu (羅偉博士) of the Department of Architecture and Civil Engineering received the Second Prize of the 2018 Guangdong Natural Science Award by the Guangdong Provincial Government.

Chair Professor Luk Kwai-man (陸貴文講座教授) of the Department of Electrical Engineering was elected Fellow of the UK Royal Academy of Engineering (2018).

Dr Song Linqi (宋林琦博士) of the Department of Computer Science received the Best Presentation Award in the 5th International Conference on Computing and Data Engineering 2019.

Chair Professor Sun Dong (孫東講座教授) of the Department of Biomedical Engineering was elected Fellow of the Canadian Academy of Engineering.

Dr Edwin Tso Chi-yuen (曹之胤博士) of the School of Energy and Environment was awarded the HKIE Best Transactions Paper Prize (2018) by the Hong Kong Institution of Engineers (HKIE).

Dr Geofffrey Tso Kwok-fai (曹國輝博士) of the Department of Management Sciences won Second Prize in the 7th Xian Outstanding Natural Science Academic Paper (2018) organised by the Xi’an Association for Science and Technology.

Dr Wang Cong (王聰博士) of the Department of Computer Science won the Best Paper Award by 24th IEEE International Conference on Parallel and Distributed Systems.

Dr Wang Shiqi (王詩淇博士) of the Department of Computer Science won the IEEE Multimedia 2018 Best Paper Award by the IEEE Computer Society and the Second Place Best Student Paper Award 2018 in the 2018 IEEE International Conference on Image Processing.

Chair Professor Wang Kun-il (王琨理講座教授) of the Department of Physics received the Lee Hsun Lecture Award from the Institute of Metal Research, Chinese Academy of Sciences.

Chair Professor Wang Yu (王宇博士) of the Department of Architecture and Civil Engineering was elected Fellow of the American Society of Civil Engineers.

Dr Wu Wei (吳偉博士) of the School of Energy and Environment received the Distinguished Associate Award (2019) by the National Institute of Standards and Technology, US.

Chair Professor Jonathan Zhu Jianhua (祝建華講座教授) of the Department of Media and Communication received the Outstanding Faculty Advisor Award (2019) by the China National Data Journalism Competition Organizing Committee.

Professor Zhang Ruiqin (張瑞勤教授) of the Department of Public Policy was selected as the 2018 ASCE Outstanding Reviewer by the American Society of Civil Engineers (ASCE).

Dr Zhang Yingpeng (張潓潓博士) of the School of Data Science won the Top Track D Prize of the Opioid Hack-A-Thon 2018 organised by the University of California Institute for Prediction Technology.

Chair Professor Sun Dong (孫東講座教授) of the Department of Computer Science received the Best Presentation Award in the Graph Challenge 2018 organised by the Defense Advanced Research Projects Agency, Massachusetts Institute of Technology and Amazon Web Services.

Professor Tan Kay Chen (陳家進教授) of the Department of Computer Science received the 2019 IEEE CIM Outstanding Paper Award for the IEEE Computational Intelligence Magazine (CIM) by the IEEE Computational Intelligence Society.
