

Procedures of using Alumni WiFi service inside the CityU campus

If you are CityU alumnus, you may enjoy free wifi service inside the CityU campus. To use the WiFi service, you should have the following items:

- Any WiFi device compliance to the IEEE 802.11a,b,g or n standard with web browser installed
- CityU EID and network connection password

Step 1: Use your WiFi device to list available wireless network and connect to the "alumni" among the wireless networks in range.

Step 2: Login via the web browser

1. Bring up your favorite web browser and visit any web page. If you are not yet authenticated, the system will forward you to the login page:
