

# Procedures of using CityU WLAN service inside the CityU campus

## Connecting to "WaveLAN Network"

a) Use your wi-fi device to list available wireless networks and connect to the "WaveLAN Network" among the wireless networks in range.

b) Bring up your favorite web browser and visit any web page. If you are not yet authenticated, the system will forward you to the login page:

c) Enter your CityU EID and network connection password and then press the "Log In" button. You may enjoy free Internet access upon successful logon.
