The Student Leadership Challenge®
Foundation Workshop

Co-organized by Student Development Services (SDS) and Office of Education Development and Gateway Education (EDGE)

The Student Leadership Challenge® based on The Leadership Challenge® Model developed by Jim Kouzes and Barry Posner, is meant to deepen students’ understanding of leadership and challenge them to increase their leadership effectiveness through the Five Practices of Exemplary Leadership®.

- Model the Way
- Inspire a Shared Vision
- Challenge the Process
- Enable Others to Act and
- Encourage the Heart

In the Foundation Workshop, participants can learn the fundamental concepts and practices of successful leaders and receive a 360-degree leadership assessment report of the Student Leadership Practices Inventory (SLPI) to understand their leadership behaviour and gain insights for improvement.

Participants have to do the on-line test in advance. The instruction of doing the on-line test will be emailed to students who have enrolled in the workshop.

Certified Facilitator: Ms Po-Yi Chung, Senior Counsellor SDS
