Worldwide Search for Talent

City University of Hong Kong (CityU) is a dynamic and fast-growing university. Our Discovery-enriched Curriculum puts discovery and innovation at the forefront of our professional programmes to enhance students' creativity and professional knowledge. As a publicly-funded institution, the University is committed to nurturing and developing students' talents and creating applicable knowledge to support social and economic advancement. We are Making a Difference through Excellence in Research and Professional Education.

The University has seven Colleges/Schools. As part of its pursuit of excellence, the University aims to recruit outstanding scholars from all over the world in various disciplines, including business, creative media, energy and environment, science and engineering, humanities and social sciences, law, veterinary medicine and life sciences.

Applications and nominations are invited for all faculty positions of Chair Professor, Professor, Associate Professor and Assistant Professor. Interested parties are invited to submit an online application with current curriculum vitae to apply for current openings at <http://jobs.cityu.edu.hk> or by email to hrrecruit@cityu.edu.hk.

A senior delegation led by the Vice-President, Professor Horace Ip, will visit Atlanta in April 2018 to present CityU's vision for the future.
