Visit of the Delegation of University System of Taiwan

The Library was honored to receive a delegation of the University System of Taiwan (UST) on 27 May 2013. UST is a research-focused alliance of four universities in Taiwan, i.e. National Tsing Hua University, National Chiao Tung University, National Yang Ming University, and National Central University. The system aims to enhance the quality of education in each of the four universities by integrating their resources and playing up complementary strengths.

The delegation was led by Prof. Ovid J L Tzeng, Chancellor of UST, and joined with Prof. Lee Wu Yan-hwa, President of National Chiao Tung University, Prof. Ip Wing-huen, Vice-Chancellor of UST, and Prof. Chen Cheng-chen, Vice-Chancellor of UST. During their visit, the Library introduced to the delegates the supporting services to CityU students and the special collections kept by the Library. The delegates also visit the Science and Engineering Collection area where the achievement of the first female laureate Madam Marie Curie in the fields of chemistry and physics is being promoted to inspire students in their discovery learning journeys.
