Visit of Council Members of City University of Hong Kong

The Library was honored to receive three Council Members of City University of Hong Kong on 11 June 2013. Accompanied by senior management, the three Council Members, Mrs Rebecca Lai Ko Wing-yee, Director of Theological Education by Extension at the China Graduate School of Theology; Ms Connie Lau Yin-hing, Chairperson of the International Advisory Group of Experts on Consumer Protection, The United Nations Conference on Trade and Development; and Mr Herbert Tsoi Hak-kong, Partner at Herbert Tsoi and Partners, visited the Library as one of the spots in their orientation programme of CityU.

During the library tour, the Library introduced to the Council Members how the Library enhance its services through the development of Digital Library, and how our library space serving as a bridge to inspire and stimulate students interdisciplinary learning, such as the recent highlights of the achievements of scientist Madam Marie Curie and mathematician Gottfried Wilhelm von Leibniz at the featured walls.
