## Search Tips

- Phrases should be enclosed in quotation marks, e.g. *"ozone depletion"*.
- Use wildcard symbol (\*) to find words with the same root word.  
e.g. *fish\** will find matches for *Fisher, Fisher's, fishes, fisher*
- You may use "+" before required word and "-" before words you want to exclude.  
e.g. *pollution +air -water*
- Boolean operators must be typed in capital letters:

| Operator | Example                           | Finds Records   |
|----------|-----------------------------------|---|
| AND      | suicide <b>AND</b> depression     | with both the word <i>suicide</i> and the word <i>depression</i>                              |
| OR       | retarded <b>OR</b> handicapped    | with the word <i>retarded</i> or the word <i>handicapped</i> or both                          |
| AND NOT  | university <b>AND NOT</b> college | with the word <i>university</i> but excludes those which also contain the word <i>college</i> |

## Display Results

The screenshot shows a search results interface. At the top, there's a 'Search Results' header and a 'Search Parameters' section with various filters like 'Full Text', 'Author', 'Exclude book reviews from results', 'Keyword', 'Abstract', 'Restrict search by date range', 'ISSN', 'Title', 'DOI', 'Affiliation', and 'Restrict search to specific article type'. Below this is an 'Edit Search' link (1). The main results area shows 'Results per page' set to 10, 'Page 1 of 7155', and navigation links. There are buttons for 'Save Search' (2), 'Save to My Saved Articles' (5), 'Export Citations (s)' (6), 'Add to Basket' (7), and 'Download PDF (s)' (8). The first result is 'The Treatment of the Long-term Sequelae of Child Abuse' by Jim Stevenson (3), with a 'preview' button (4) and 'View PDF' link (9). The second result is 'Maintaining the chain of evidence in child abuse cases' by M. Davis and P. Reeves, also with a 'View PDF' link (9).
