

IHS Standards Expert

(with full text of standards from **ASTM International**)

The *IHS Standards Expert* service contains records of over 568,000 technical standards, integrated with more than 350,000 U.S. Military and Federal specifications and related documents needed for research and design, purchasing, bidding, logistics, and related applications.

Note: Users can search all the standards in the database but the Library's subscription covers **full-text standards from ASTM International only**.

Access

1. At the Library Home Page (<http://www.cityu.edu.hk/lib/>), select the **Databases** tab.
 2. Select **IHS Standards Expert** from the alphabetical list of databases.
- OR**
1. At the Library Home Page (<http://www.cityu.edu.hk/lib/>), select **E-Resources**.
 2. Select **Databases: Title List**.
 3. Select **IHS Standards Expert** from the alphabetical list of databases.

Note:

- Access to this database is restricted to current CityU staff and students on campus.
- Remember to log off when you have finished your searches.

Search

In the Main Menu, click [IHS Standards Expert](#) on the left of the screen.

Search document by Doc No. or Organization

Enter document number (or partial no.) or name of organization.

Search document by Keyword(s) or Text

Enter word(s) that may appear in document titles and/or abstracts.

Check this box to search the entire content of the documents.

If desired, reduce the number of results by selecting:

- **Most Recent Revision** – retrieve the most recently revised versions of documents.
- **Active Status** – retrieve documents that the authoring organization has labelled as active.
- **My Subscription** – retrieve only *ASTM International* documents.
- any of the criteria under “Advanced Filters”.

Search Hints

Document Number

- Enter document numbers with or without alphabetical prefixes, suffixes, dashes or periods.
 Examples: D5517, 5517, G39, 39
- An asterisk (*) wildcard can be used at the beginning, middle or end of a number to find one or more characters of any type:

<i>Example</i>	<i>Find</i>
*123	A-A-123C, A-A-2123, NF EN 13312-3, BS 1123-1, etc.
24*68	A-A-2468, BS 2468, MS24568, QPL-24236-8, etc.
789*	NF EN 789, BS 7890, BS 7899-2, 78/932/EEC, etc.

Keyword or Text

- Boolean operators
 - Multiple words entered in the text box will be combined with “and” automatically.
 - Use “or” to broaden your search to find all instances of each word entered, e.g. *fuel or oil*
- To find an exact phrase, enclose it in double quotation marks, e.g., “polyurethane coating”

Display Results

The **View** icon indicates that the Library has access rights to the full text of the document. Click on the **icon** or the **Doc No.** to view the document.

Click on **Details** to view detailed information which includes **Document Summary, Document Abstract, Document History,** and **Related Documents,** if available. (See below)

Click to change the sorting order. E.g. click on **Date** to re-arrange the results in chronological order.

Click to download results in Excel format. Click to print results.
