LOCATING PARTICULAR PUBLICATIONS IN LEXIS HK

RUN RUN SHAW LIBRARY
STEP 1

Click on the hyperlink provided in the CityU LibraryFind.

CityU LibraryFind is the new search platform for finding materials of CityU Library. You may refer to this guide for the use of CityU LibraryFind: http://libguides.library.cityu.edu.hk/cityulibraryfind/home
STEP 1

You will be taken to the Lexis HK home page if you access the database on campus. If it is outside the campus, you will be directed to an authentication page. Please enter your Electronic ID (EID) and AD/LAN password when prompted.

Please fill in your CityU Electronic ID and password.

Login
STEP 2

Click the tab “Source Directory” once on Lexis HK’s homepage.
STEP 3

Next enter the publication title in the “Keyword” search box. Then click the “Find Sources” red button.

Publication title
STEP 4

From the result list, select the publication that you need. Then click the “OK – Continue” red button.
STEP 5

A search box will appear. Enter the article title or other appropriate information such as the author’s name in the search box and then click “Search”.
