CityU LibraryFind
Library search platform:
A discovery and delivery tool to locate books, journal articles, e-resources, media and more.

Loan Privileges

<table>
<thead>
<tr>
<th>Staff Type</th>
<th>Max no. of Books* (items/days)</th>
<th>Max no. of Media^ (items/days)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Academic / Teaching / Research / Administrative Staff</td>
<td>200/120</td>
<td>10/7</td>
</tr>
<tr>
<td>Other Staff</td>
<td>100/30</td>
<td>5/7</td>
</tr>
</tbody>
</table>

* Renewable; subject to recall
^ Not renewable

Course Reserve - Depositing Service
Teaching staff may request to put heavily-used items for short term loan.

CityU Scholars
- The University’s research hub to showcase your profile and research output.
- Take note of the self-archiving policy and publisher’s copyright transfer agreement (CTA) before uploading the full text of your publication.

ORCID
Make your research easier to be discovered by having a unique author identity.

Research Needs
Talk to Librarians regarding your other needs such as OA (Open Access) publishing and research impact.

Library Account
Sign in with your CityU EID and AD/LAN password to view and renew loans, keep track of requests and fines.
