

INTRODUCTION TO STOP MOTION ANIMATION

12 May 2018 | 9.30am – 6.00pm

To foster participants' creativity. The course is tailor-made for participants who are new to stop motion animation.

COURSE INFO

TARGET STUDENTS

S3–S4 students who are also Hong Kong Academy for Gifted Education members.

WHAT WILL THE STUDENTS LEARN

Principles and workflow of animation; communication of ideas visually in the form of stop motion animation; production of creative works using a variety of techniques that include photo-taking, lighting, retouching photographs and editing.

WHAT WILL THE STUDENTS DO

The workshop will not only teach traditional production methods of animation, but also integrate computer animation software. Students will produce a short animation segment during the workshop, and share their work and creative process with other participants at the end of the workshop.
