

DAY CAMP: SOLAR POWER

16 July 2018 | 9.30am – 4.30pm

To introduce solar power and renewable energy to students for future clean energy supply to improve sustainability.

COURSE INFO

TARGET STUDENTS

S4–S5 students who are also Hong Kong Academy for Gifted Education members.

WHAT WILL THE STUDENTS LEARN

Scientific principles of various solar power technologies and the design of solar PV panel to supply clean electricity for specified demand.

WHAT WILL THE STUDENTS DO

An overview of solar thermal energy conversion, photovoltaics (PV) and photocatalysis will be given to students. Students will also meet with the CityU Solar Car Team and learn how a solar car is designed and built. Students will also do a design project to gain some hands-on experience in solar PV.

PRE-REQUISITE REQUIREMENTS

No

MEDIUM OF INSTRUCTION

English

REGISTRATION

HOW TO APPLY

Through the *Hong Kong Academy for Gifted Education* Online Application Platform

COURSE FEE

Free

APPLICATION DEADLINE

18 June 2018
