Subject: Invitation to be Selection Committee Member for Plasma Innovation Prize 2023 (PIP-2023) of AAPPS-DPP

Dear Prof Paul K Chu

I would like to **invite** you to be the member of Selection Committee of the **Plasma Innovation Prize – 2023 (PIP2023)** which will be awarded during the 7th Asia-Pacific Conference in Plasma Physics, 12 – 17 November 2023.

The **Plasma Innovation Prize** (PIP) is awarded by the Division of Plasma Physics of the Association of Asia Pacific Physical Societies (AAPPS-DPP) to recognize outstanding contributions to experimental and/or theoretical research in all fields of plasma applications, focusing on impacts on industry or innovation in plasma science, technology and applications. More details can be found at <https://aappsdp.org/AAPPSDPPF/InnoPrize.html> .

The first Plasma Innovation Prize (PIP-2019) was awarded to Professor Roderick W. Boswell during 3rd Asia-Pacific Conference in Plasma Physics in Hefei, China in November 2019. Other PIP winners are Professor Masaru Hori (PIP-2020), and Dr Anthony (Tony) Bruce Murphy (PIP-2021). The PIP was not awarded in year 2022.

This year we have four nominations. As the selection committee member, you will be requested to help in evaluating the nominated candidates for selection of PIP-2023 winner. More details will be provided later.

May I request you to please let me **know by Friday, 28 June 2023** whether you accept our invitation to be the member of Selection Committee for PIP-2023.

While we have made a simple check and believe that you do not have the conflict of interest with nominated candidates, **later on once you agree** and we provide you the information and nomination dossier of the nominated candidate we will request for your kind confirmation of no conflict of interest.

Best regards

Professor Rajdeep Singh Rawat
Chair, Selection Committee for Plasma Innovation Prize 2023

Professor Rajdeep Singh RAWAT

Head, Natural Sciences and Science Education

Subject: [Confidential] Invitation to PIP selection committee

Dear Prof. PK Chu

Thank you for your cooperation with AAPPS-DPP.

We would like to invite you as member of 2022 Plasma Innovation prize selection committee, again.

This year, Prof. Rod Boswell accepted to be Chairman.

Let us know if you can work for this important job.

Sincerely yours,

M. Kikuchi, CEO

Dr. Mitsuru Kikuchi

Representative director & CEO, AAPPS-DPP Chairman, Reviews of Modern Plasma Physics Guest Professor, Osaka Univ., Japan Visiting professor, Southwestern Institute of Physics, China Visiting Professor, UCSI University, Malaysia

Subject: Fwd: Invitation to be Selection Committee Member for Plasma Innovation Prize 2021 (PIP2021) of AAPPS-DPP

Dear Professor Chu,

My name is Wonho Choe and I was recently appointed to chair the AAPPS-DPP Plasma Innovation Prize 2021 Selection Committee.

I would like to **invite** you to be a member of the Selection Committee of the **Plasma Innovation Prize – 2021 (PIP2021)** which will be awarded during the 5th Asia-Pacific Conference in Plasma Physics, September 26 to October 1, 2021 (<http://aappsdp.org/DPP2021/index.html>).

The AAPPS-DPP Plasma Innovation Prize is awarded by the Division of Plasma Physics of the AAPPS (AAPPS-DPP) to recognize outstanding contributions to experimental and/or theoretical research in all fields of plasma applications, with focus on impacts on industry or innovation in plasma science, technology and applications. More details can be found at <http://aappsdp.org/AAPSDPPF/InnoPrize.html>.

The previous laureates are Professor Roderick W. Boswell in 2019 and Professor Masaru Hori in 2020 (<http://aappsdp.org/AAPSDPPF/innovprizetable.html>).

The nomination process for PIP2021 is completed and there are four nominations. As a selection committee member, you will be requested to help in evaluating the nominated candidates for selection of a PIP2021 winner. More details will be provided later.

I would like to request you to let me know by June 23, 2021 whether you accept our invitation to be a member of the Selection Committee for PIP2021.

Best regards,

Professor Wonho Choe

Korea Advanced Institute of Science and Technology (KAIST)

Chair, Selection Committee for Plasma Innovation Prize – 2021

Subject: Invitation to be Selection Committee Member for Plasma Innovation Prize 2020 (PIP202) of AAPPS-DPP

Dear Professor Paul K Chu

I would like to **invite** you to be the member of Selection Committee of the **Plasma Innovation Prize – 2020 (PIP2020)** which will be awarded during the 4th Asia-Pacific Conference in Plasma Physics, 26 – 31 October 2020.

The **Plasma Innovation Prize (PIP)** is awarded by the Division of Plasma Physics of the Association of Asia Pacific Physical Societies (AAPPS-DPP) to recognize outstanding contributions to experimental and/or theoretical research in all fields of plasma applications, focusing on impacts on industry. More details can be found at <http://aappsdp.org/AAPSDPPF/InnoPrize.html> .

The first Plasma Innovation Prize (PIP-2019) was awarded to Professor Roderick W. Boswell during 3rd Asia-Pacific Conference in Plasma Physics in Hefei, China last year in November 2019 (see <http://aappsdp.org/DPP2019Program/prizeaward.html>).

The nomination process for PIP2020 is completed and there are three nominations. As the selection committee member you will requested to help in evaluating the nominated candidates for selection of PIP2020 winner. More details will be provided later.

May I request you to please let me know by Monday 8 June 2020 whether you accept our invitation to be the member of Selection Committee for PIP2020.

Thanks and Best regards

Professor Rajdeep Singh Rawat
