Master of Arts in International Studies

The programme allows students to:

- Gain an advanced understanding of international politics
- Analyze pivotal issues across the fields of political economy, political science, security studies and international relations
- Undertake research on contemporary global issues
- Investigate governance challenges facing international organizations, governments, markets and civil societies
- Gain knowledge to give you a distinct advantage in a competitive world

If you are interested in exploring these and related issues, the Master of Arts in International Studies is for you!

Specific benefits of undertaking the programme:

- ✓ Learn about the world in cosmopolitan and exciting Hong Kong
- ✓ Choose from an intellectually stimulating and topical selection of courses
- ✓ Be taught by internationally recognized professors
- ✓ Meet new people interested in international issues and build lasting connections

The Master of Arts in International Studies offers a unique two-semester post-graduate education for recent university graduates and professionals alike. The programme provides students with an opportunity to gain skills and knowledge relevant to working in government, business, journalism and international organizations.
