Temporary Student Loan 2019-2020
(Clearing Round)

Guidelines

Objective
To provide interest-free temporary loan to needy students for their outbound exchange studies.

Eligibility
Full time local students who are pursuing UGC-funded undergraduate programmes and will participate in outbound exchange studies in Semester B 2019/20 are eligible to apply for the temporary loan.

Allocation
With limited resources, the number of applications and the amount of loan being approved will be subject to the availability of fund and the assessment result of applicants’ financial status and their family financial situation.

Approving Criteria
1. This is a means-tested loan scheme; applicants’ family income, assets and financial situation will be assessed. Applicants will be ranked according to their financial situation. Students with higher ranking will have higher chance of getting the loan.

2. Successful applicants will be offered assistance to cover part of the following costs:
   - Air fares & transportation
   - Accommodation
   - Meals
   - Visa & insurance

3. Maximum level of loan offered will be capped as follows:
   - Americas, Europe (Incl. Russia and Turkey), Middle East: HK$24,000
   - Australia, New Zealand: HK$22,000
   - Asia, India: HK$16,000
   - Mainland China: HK$12,000

4. SDS’s decision will be final. SDS staff may meet with the applicants to discuss the details of the applications.

Application Procedures
1. Completed application forms together with supporting documents* should be submitted to SDS by 5:00 pm, 1 November 2019 (Friday). Late application may only be considered depending on the availability of funds.

2. Application result will be announced via email by early December 2019.

Repayment Terms
1. Loan recipients are required to repay the loan to the University within 6 months after the exchange studies. A 5% one-off surcharge may be imposed to students who fail to repay the loan on time.
2. This scheme is run on a recurrent basis. The availability of loan relies very much on students’ punctual repayment of loan. Please be responsible, considerate and make sure that you have the repayment ability before you apply for the loan. Otherwise, needy students in the subsequent year will be affected due to lack of funding.

Other Conditions
1. Students who fail to repay the loan would be subject to their award certificates being withheld. The misdemeanor will also be reported to the students’ respective departments.
2. Students who are not able to complete their overseas studies will have to repay the loan in lump sum immediately.
