Find a Job

Dear students,

Welcome to JobPlus, a job information system for CityU full-time students. JobPlus provides updated information on the job details and application procedures to facilitate your search for part-time, temporary, summer and graduate jobs.

Some of the jobs advertised in JobPlus require on-line application. Please refer to Special Notes for procedures and practices.

GOOD JOB-SEARCH PRACTICES

During your job search process, you are strongly encouraged to follow the good practices suggested below. They can contribute to your success in job hunting:

- Be original: Never copy others’ application as you are unique.
- Be honest: Don’t give false information in your application. This could be a fraud of misrepresentation.
- Be systematic: Keep a record of the job information of every application sent out by you.
- Be prudent: If you are offered an interview, you should write down the appointment date, time and place. Also, keep the name of the contact person and his/her contact number.
- Be punctual: Arrive at the interview venue fifteen minutes ahead of scheduled time. Give some time for you to relax.
- Be responsible: Before you accept an employment offer, always think clearly and honour your promise. Inform the organization ASAP if you, for very important reasons, cannot keep your promise.
- Be prepared: “Fail to Prepare” is “Prepare to Fail”
