

Application for Undertaking LW8703D Doctoral Thesis outside Hong Kong (SGS57) (For JSD Students Only)(Old Course Code: LW8001)

Notes:

1. Students who wish to apply for undertaking LW8703D “Doctoral Thesis” outside Hong Kong should submit their applications at least **two months** before the leaving semester via their supervisors. Please note that only applications with valid reasons will be considered.
2. Non-local students who wish to study full-time upon their return to study in Hong Kong should ensure that they have a valid student visa/entry permit for their full-time study.
3. As required by the Hong Kong Immigration Department, the University will report to the Immigration Department for any changes of the student status of a non-local student such as continuation of study outside Hong Kong, leave of absence and change of mode.
4. The University will contact the students via their student email accounts, no matter whether the student is in Hong Kong or is abroad. Students are advised to check their student email accounts regularly.

Section A Personal Particulars (**please delete as appropriate*)

Name: _____ Student No.: _____

Section C Undertaking

I understand that during the period that I continue my study outside Hong Kong:

1. I have to pay tuition and/or registration fees for LW8703D and other relevant fees.
2. I have to report regularly to my supervisor on a monthly basis.
3. I have to submit annual reports on my study progress to the Chow Yei Ching School of Graduate Studies.
4. I should still abide by the regulations and guidelines stipulated by the University.
5. I am not allowed to register simultaneously in another programme of study in the University or in any other institution without the prior permission of the Chow Yei Ching School of Graduate Studies.
