N/SGS Forms/SGS_Conference Grant Application Form (28 Aug 2014)
Guidelines for the Award of Conference Grants

Purpose

1. The Conference Grant is intended to subsidise research students to participate in academic conferences in order to help widen their academic exposure and strengthen their research writing and presentation skills.

Eligibility

2. Research students applying for a grant should normally satisfy all of the following criteria:
   (a) being a UGC-allocated or UGC-related research student;
   (b) have completed at least twelve calendar months of study counting from the commencement date of study up to the starting date of the award period (excluding period of study interruption, if any) one full year of MPhil/PhD candidature;
   (c) have not received a Conference Grant before (see also para. 3 below);
   (d) will present a paper or poster at the conference.

3. It is the intention that a student should be given one Conference Grant during the course of his or her candidature. Nevertheless, a student who has previously been awarded a grant may still apply, and the application will be considered if the conference is highly relevant to the student’s study and funds are available.

Value

4. The maximum value of a grant is HK$10,000.

5. The grant is intended to cover the following items:
   (a) 90% of the cost of one return passage by the most economical means available;
   (b) subsistence allowance (HK$300 per night subject to a maximum amount of HK$1,000);
   (c) 90% of the conference registration fee.

6. Items 5(a) and 5(b) do not apply to local conferences.

Conditions

7. Students are required to present a seminar in the Department, preferably before attending the conference, or, if that is not possible, soon after returning from the conference. The topic for the seminar could be the same as the topic of the paper to be presented at the conference for which the grant is made.

8. The award of the grant is conditional upon the student continuing to be a registered student at the University at the time the conference is held.

9. The grant approved only applies to the specific conference and cannot be used for other purposes.

Conference Report and Claims for Reimbursement

10. After the conference, students should submit a conference report (Form SGS13R), together with the following documents, to the Chow Yei Ching School of Graduate Studies within two months from the end date of the conference:
   (a) original copy of relevant receipts;
   (b) a copy of the conference paper.

11. Financial support is granted on a reimbursement basis upon receipt of the documents specified above.

Application Procedures

12. Applications should be made on Form SGS13, which is obtainable from the Chow Yei Ching School of Graduate Studies or can be downloaded from the School’s Website (http://www.cityu.edu.hk/sgs/). Completed forms should be returned to the School via the supervisor and Head of Department.
