A list of approved courses and the syllabuses are available for reference on the School’s website (http://www.cityu.edu.hk/sgs/rpg/student)

Coursework Requirements ▶ List of Approved Courses for Research Degree Students). Please note the following guidelines:

i. Students are required to fulfill the following minimum coursework requirements (at postgraduate level) within their study period:
   - A compulsory 1 credit unit course on teaching learning (SG8001) and the credit unit earned from SG8001 will not be counted towards the minimum coursework requirement;
   - MPhil students: 7 credit units (including core course(s) of at least 2 credit units which shall be research methodology or foundation course(s) at postgraduate level);
   - PhD students: 14 credit units (including core course(s) of at least 4 credit units which shall include at least 2 credit units of research methodology or foundation course(s) at postgraduate level).

ii. Students who failed the pre-requisite requirement of SG8001 will be required to take SG8002. Course registration of SG8001 or SG8002 shall be determined by EDGE/EN and arranged by SGS.

iii. Students under the Collaboration Scheme with Mainland Universities are not required to take SG8001.

iv. Courses prescribed for research students must be at postgraduate level (i.e. P5 courses or above) selected from the list of approved courses.

v. At least half of the coursework (4 credit units for MPhil and 7 for PhD) should be taken at CityU or other local institutions under the Cross-institutional Course Enrolment Scheme (information is available on the School’s website http://www.cityu.edu.hk/sgs/rpg/student).

vi. Students who have been granted coursework exemption or credit transfer should fulfill the remaining coursework requirements by taking taught/seminar courses, and not independent study or reading courses.

vii. Students are not allowed to re-attempt courses that have previously been taken in another programme/level of study offered by CityU, or to enroll in any exclusive/equivalent course(s) of those course(s) which have already been prescribed by their supervisor in order to earn credits for fulfilling the coursework requirement.

viii. For courses with pre-requisite or pre-cursor requirements, the Qualifying Panel is requested to provide documents (e.g. transcript and the course syllabus) to prove that the student has satisfied such requirements.

ix. Courses taken without approval from supervisors will NOT be counted towards the fulfillment of coursework requirement.

x. Students can add/drop web enabled courses that require no special approval from Head of Department/School Dean within the add/drop period (normally ends on 1st day of week 2 of the semester). Add/drop of courses that are not web enabled, outside the add/drop period or courses that require special approval (which cannot be added/dropped by students) would be performed by SGS.
