

Application for Credit Transfer/Coursework Exemption for Research Students (SGS16C)

- i. Credit transfer may be allowed for students who possess postgraduate or other qualifications of relevance to their research studies. Approval from Department Head/School Dean or delegated authority of the course offering department/school is required if the course is **NOT** offered by students' home department/school.
- ii. At least half the coursework (4 credit units for MPhil and 7 for PhD) should be taken at CityU or other local institutions. In this connection, coursework exemption or credit transfer should be limited to a maximum of 3 credit units for MPhil and 7 for PhD. Recommendations on credit transfer or coursework exemption require the approval of the Department Head/School Dean.
- iii. Credit transfer may be considered only for credits gained from courses at postgraduate level which are relevant to the students' research studies. Students who have been granted coursework exemption or credit transfer should fulfill the remaining coursework requirements by taking taught/seminar courses, and not independent study or reading courses.
- iv. For qualifications obtained before admission to the University, applications should be made upon student enrolment at CityU.
- v. Applications for credit transfer for outside work completed after admission to the University must be made immediately in the semester following attainment of the additional qualification.
- vi. Students can be exempted from a requirement of a Programme. Credit units are **NOT** earned for an exemption from a course.
- vii. A list of approved courses and the syllabuses are available for reference on the School's website (<http://www.cityu.edu.hk/sgs/rpg/student> ▶ **Coursework Requirements** ▶ **List of Approved Courses for Research Degree Students**).
- viii. The application results can be accessed in AIMS (Student Record ⇒ My Applications (for Professional Doctorate and Research Degree Programmes) ⇒ Credit Transfer).
- ix. Successful applications of credit transferred/exempted course(s) will **NOT** be included in the official transcript for research students (except for courses taken under the Cross-institutional Course Enrolment Scheme).
