Join us for an informative session for how you will be best served by the Masters of Arts in English Studies programme. Find out how your critical analysis skills will be improved through two streams of multi-faceted course work by City University of Hong Kong.

1. Teaching English as a Second Language (TESL)
2. Literature Language and Cultural Studies (LLC)

Why study with us?
Through acquiring the knowledge of language, literature, and culture, students may expand their knowledge by having a flexible learning experience offered by our programme.

The Speakers

Dr. Becky Kwan
- MAES Programme Leader
