

# COMPARATIVE REGULATION OF CRYPTOCURRENCIES IN HONG KONG AND SINGAPORE

Speaker: Mr. Lance Ang

Moderator: Prof. Wang Jianguy

Dive into the intricate world of cryptocurrency regulations as we compare the approaches taken by two Asian financial powerhouses, Hong Kong and Singapore. This seminar will deconstruct the elements of each jurisdiction's regulatory framework, covering the legal nuances, economic dynamics, and emerging trends in the cryptocurrency sphere. Learn about the impact of different legal interpretations on cryptocurrency markets, formative and reactive legal processes, and the continuity and changes of financial regulation in the era of exponential technological advancement.

Mr. Lance Ang is an esteemed legal scholar, currently teaching Law at the Singapore University of Social Sciences and serving as Of Counsel for Adsan Law LLC. His distinguished educational background includes a first-class honours LL.M. from the University of Cambridge, as well as an LL.B. from the National University of Singapore.

Ang's contributions to the field showcase expertise in diverse areas, including Corporate Governance, Financial Regulation, and Law and Technology among others. A recipient of several accolades and scholarships, Lance Ang continues his relentless dedication to knowledge advancement in Law, impacting the trajectory of corporate legal landscapes. His tireless endeavors to link theory with practice make his work an invaluable resource to both the academic community and the industry.
