## LSK Hall Song

愛與夢的家

曲：Peter Kam / 詞：Peter Kwok

- A1 樹蔭裡 星語裡 風中找夢去  
肩並肩 同作戰 情誼在倍添  
學海中 鞭策過 擦亮我眼光  
精采歲月曾與你渡過
- B 卓越志向再跨越城牆  
視野再擴張  
多衝擊 卻更多感激  
甘苦與共 追趕理想! (2nd time: 當天結伴 追趕理想!)
- C 熱愛溫馨是這家  
互勉關懷作棟樑  
愛是平台、夢作牆  
建未來一起構想  
願化星光耀世間  
為社會貢獻盡心  
薪火永傳這心志  
同尋美滿路向
- A2 默契裡 關顧裡 交織生命裡  
喜與悲 聚與散 情懷未退減  
付上過 傷痛過 建立卻更多  
珍惜這地曾與你踏過

## **Message from the Residence Master**

Home shelters family members. As the residence master of LSK Hall, I hope you feel much comfortable about the hall, the home of you. In line with the emphasis of the last Residence Master, Dr. Alan Yeung, we hope that the hall is not only a shelter of you, but also a warm place for you to build homely relationships and to experience both academic and non-academic learning.

To make the LSK hall a family full of love and warmth, every member is expected to contribute by being open and helpful to each other. They are the family members whom you can always share your happiness or sadness with.

At LSK Hall, a unique mentoring scheme is launched to strengthen good relationships among residents. With the assistance of mentors, new residents (no matter freshmen or non-freshmen) can better adapt themselves to the hall life. Senior residents, on the other hand, can promote the hall culture to junior students. Knowledge is therefore transferred among each other.

Apart from building the homely relationships, we also strive to provide you all-rounded learning experience at the hall. Both academic and non-academic learning are highly emphasized at LSK Hall. We hope that all the residents can be led to the path of personal growth and development.

To help students achieve a better selection of majors and career paths, career talks will be arranged at the hall. Alumni and guests from different fields will be invited to give talks and interact with our residents, in the hope of expanding their networks with business. You are also welcome to book a time to have an individual meal with me to discuss about your university life and career.

By participating in the cultural activities we conduct, local and mainland students will be given a golden opportunity to interact with exchange students. In this way, we hope to broaden residents' global awareness and cross-cultural understanding. We also expect to see an improvement in residents' language and communication skills (with English, Cantonese and Putonghua) at the end of the staying period. Besides, to better

help mainland residents adapt to the hall and university life, as well as the local culture, Cantonese consultation will be provided by tutors specifically for them.

For non-academic learning, a number of courses, as well as a self-assessed reading corner, will be provided by the hall to encourage interdisciplinary and life-time learning. We strive to motivate residents to build learning habit that meets their own needs and interests. We also aim to develop moral reasoning and humanistic values in our students. Through a series of guest talks, arts and sportsmanship training, we expect students to show their helping behaviors on their floor and to the community.

To make your success stories concrete, LSK Hall Scholarship has been established since our first residence master. Recipients are awarded for their great contributions to the hall and good academic performance.

Living in hall is one of the indispensable memory to our students' university life. As the lyrics in our hall song, let our hall life full of love and warmth. Let's surmount barriers and broaden our horizons with support and care. Let's build our platform on love here and keep it forever.

Your residence master,  
Mr. Alex Tham

## LSK Hall History

Same as Hall 4, 5, and 8, our home was founded in Feb 2004. By that time she was named as Hall 6. On Sept. 12th, 2006, there came an exciting moment, the naming ceremony. From that day on, our home has been formally named as Lee Shau Kee Hall, LSK Hall in short. Later, that day has been set as the birthday of the LSK Hall.

During the past 5 years, we participated in Joint-hall Competitions, which later named as Prof. Edmond Ko Cup, and won numerous prizes and awards. Championships we won were listed in Table 1. We won the overall championship twice in both 2004/05 and 2006/07, in addition we got one second place and one third place in the competition.

## 李兆基堂曆史

我們宿舍建立于 2004 年 2 月。自 2006 年 9 月 12 日宿舍命名典禮開始，李兆基堂成爲我們宿舍正式的名稱。我們也將這一天定爲我們宿舍的生日，每年的這一天都是我們慶祝的日子。

短短的五年間，在我們參加的各種舍際比賽中，我們宿舍的運動健兒，文藝明星們爲我們宿舍贏得了許多的榮譽。在 Prof. Edmond Ko Cup/Residence Master's Cup 中，我們分別在 2004/05 和 2006/07 年獲得總冠軍。其余兩年分別獲得亞軍及季軍。
