Introduction
City University of Hong Kong believes that student residence provides an environment that integrates the whole-person development of students and thus contributes positively to learning.

Residence Halls
The 12 Student Residence halls were completed by phases. The Student Residence in Cornwall Street comprises 11 halls providing a total of 3,600 places for students. The halls are Jockey Club Humanity Hall, HSBC Prosperity Hall, Alumni Civility Hall, Jockey Club Academy Hall, Chan Sui Kau Hall, Lee Shau Kee Hall, Jockey Club Harmony Hall, Hall 8 (Postgraduate hall), Sir Gordon and Lady Ivy Wu Hall, Hall 10 and Hall 11. The Jockey Club House located at Tat Chee Avenue provides an addition of about 100 places for postgraduate students.

Management Team
The Student Residence Office (SRO) is responsible for the overall management of the Student Residence, ranging from hall admission and allocation, finance and budget, facilities management and residential life. SRO works closely with the Residence Masters, Residence Tutors and Residents’ Associations to create a safe, supportive and stimulating residential community that embraces diversity, participation and learning.

Residence Master
The Residence Master is the overall in-charge of the hall. The main role is to provide intellectual and pastoral guidance, initiate and plan hostel activities, and cultivate a sense of community among residents. The Residence Master is assisted by a group of Residence Tutors who are postgraduate/final year students or staff members of the University.

Student Bed-study Rooms
Undergraduate halls offer double rooms and a limited number of single rooms, triple rooms and disabled rooms. Two adjacent rooms share one toilet and shower. Hall 8 (Postgraduate hall) offers 416 single rooms. Four rooms form a self-contained flat with a shared toilet, shower and pantry facilities, including a microwave and a refrigerator. Each bed-study room gets you started with all the basics: single bed with mattress, writing desk, chair, bookshelf, pedestal, wardrobe, rubbish bin, desk lamp, air conditioner with meter, IP phone and network connection port.
