Culture of Caring – CityU Caring League

Caring League – Peer Support Fellow

The Caring League is the flagship programme of the Counselling Service launched in 2015 in the academic year 2018/20. Three student teams will develop their special themes of trainings and services to be held on campus while receiving core training of helping skills and leadership development.

Caring League – Psychological Wellness Ambassador Team

Psychological Wellness Ambassador (PWA) Team advocates psychological wellness in the University Community. Participating students will be equipped with trainings in positive psychology, mental health awareness as well as team work competence. Upon completion of the training, they will work together as Caring Leaders with the team's mission to serve their fellow schoolmates.

Caring League – Inclusion Ambassador

Inclusion Ambassador (IA) is to help those CityU students with Special Educational Needs (SEN) to broaden their vision and expand their social network in the CityU community. The IAs also take an active role to raise the awareness of the CityU community on the needs of SEN students by organising different inclusive activities.

工作坊

To echo with CityU’s vision of enhancing students’ global awareness, the Student Residence Office launched the "Exploring Gansu, Experiencing Belt and Road" in the summer of 2019.

The week-long expedition was fascinating: joyful exchange with students of Lanzhou University, casual stroll along the miles-long Yellow River, admiring the splendid of the first Iron Bridge in China and watertrees, visiting Zhangye and last in the stunning beauty of Danxia landscape, the long coach ride along the Gobi desert and reaching the historical Jiayu Pass, feeling the thickness of its history and bloodshed of warfare it had gone through, a camel ride along the Mingha mountain, gazing the sunset and the never-dwindled Crescent Lake down at the mountain, no doubt an unforgettable experience of life time.

Not only friendship deepened in this memorable journey but the 30 selected local students also availed the first-hand experience to better understand the history of Han dynasty and its impact on the establishment of Silk Road. The Office will continue to bring more meaningful expeditions in the year to come.

CityU provides abundant opportunities for students to develop global outlook and improve foreign language skills. The Cultural and Language Immersion Scheme (CALIS) is one of the opportunities which allows participants to engage in learning activities including language classes and homestay in an overseas foreign language speaking environment for 4-6 weeks with financial support from the university and collaboration with premier universities across the globe. Since the pilot run of CALIS in the academic year of 2007/08, students have received sponsorship to join CALIS tours in Australia, Canada, New Zealand, the United Kingdom and etc. In the academic year 2019/20, CALIS will be extended to non-English speaking countries. Besides CALIS, Cultural Immersion Programme for Belt and Road Regions & Greater Bay Area will also be launched to support students to explore history, appreciate culture, and raise awareness and respect for diversity in targeted cities or countries. Visit our website for more information and stay tuned for application details released by your College or School.
