Workshop A

Getting to the Top via the Cyber Route –
Paths and Shortcuts.

Speaker: Mr. Chow Yung

Abstract:
If you are looking at a career in the Cyber field, what opportunities are there for you to rise to the top? Do you have it to be the next Bill Gates? Must you be a make-or-break entrepreneur? What now when venture capitalists are becoming more reluctant to take out their cheque books, not to mention signing on the dotted line. What then should you expect? Find out the ways to the top even if you are not really a Bill Gates in the making.
