Bachelor of Veterinary Medicine

ENTRANCE REQUIREMENTS

- Passion for Animal Health and Welfare; and
- High levels of competence in English, Mathematics, Chemistry and Biology

JUPAS – HKDSE Applicants (JS1801)

Applicants must achieve the following minimum grades in four core subjects and two electives:

<table>
<thead>
<tr>
<th>Subject</th>
<th>Grade Level</th>
</tr>
</thead>
<tbody>
<tr>
<td>Chinese</td>
<td>Level 3</td>
</tr>
<tr>
<td>English</td>
<td>Level 5</td>
</tr>
<tr>
<td>Mathematics</td>
<td>Level 3</td>
</tr>
<tr>
<td>Liberal Studies</td>
<td>Level 2</td>
</tr>
<tr>
<td>Elective 1 in Chemistry</td>
<td>Level 3</td>
</tr>
<tr>
<td>Elective 2 in Biology</td>
<td>Level 3</td>
</tr>
</tbody>
</table>

Shortlisted students will be invited for interview in mid-July after the announcement of the HKDSE result.

International Qualifications

- IB Diploma
  - HL or SL English
  - HL or SL Mathematics
  - HL Chemistry
  - HL Biology

- GCE – AL/IAL
  - English Language/English Literature (GCSE/IGCSE/GCEOL)
  - Mathematics
  - Chemistry
  - Biology

Other international qualifications will be considered on a case-by-case basis.

Post-secondary Qualifications

These include graduates and current students completing a degree programme at a university in Hong Kong or overseas. They will be considered on a case-by-case basis. However, applicants have to demonstrate high levels of competence in English, Mathematics, Chemistry & Biology.

Competitive Scores

Competitive scores of some popular qualifications for admission to BVM in previous years are given for reference:

<table>
<thead>
<tr>
<th>Qualifications</th>
<th>2019 entry</th>
<th>2017 &amp; 2018 entry</th>
<th>IB Diploma</th>
<th>GCE – AL/IAL</th>
</tr>
</thead>
<tbody>
<tr>
<td>HKDSE</td>
<td>≥32 for four core + two elective subjects</td>
<td>≥32 for the best six subjects</td>
<td>≥40</td>
<td>≥25 for four GCE AL/IAL subjects $^*$</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
<td>$^*$ We require a minimum of three GCE AL/IAL subjects only, yet the successful applicants in the previous cohorts typically took four subjects.</td>
</tr>
</tbody>
</table>

PROGRAMME OVERVIEW

- Duration of Study: 6 years
- Mode of Funding: Government-Funded
- Tuition Fee
  - Local Students: HK$42,100 per annum
  - Non-local Students: HK$140,000 per annum

(Scholarships available)
**PROGRAMME HIGHLIGHTS**

**Extra-mural Studies (EMS)**
- 12 weeks of Animal Husbandry EMS on farms and other animal housing facilities
- 26 weeks of Clinical EMS at veterinary clinics and on-farm veterinary services

**4 Distinctive Teaching and Research Themes**
- Animal Welfare
- Aquatic Animal Health
- Emerging Infectious Diseases
- Food Safety

**State-of-the-art Clinical and Practical Teaching Facilities**
- CityU Veterinary Diagnostic Laboratory to support pathology, microbiology, immunology and serology training
- CityU Veterinary Medical Centre, the companion animal clinic for intra-mural clinical training with sophisticated equipment including MRI and digital radiography
- Agriculture facilities including a cattle and sheep farm in the New Territories
- Aquaculture facilities with fish rafts
- Equine hospital and production animal ambulatory service

**6-Year Curriculum**
- Initial years focus on animal husbandry, animal welfare, food safety, pre-clinical sciences and biomedical sciences
- Later years focus on clinical training with extensive medical experience and on controlling infectious diseases
- Emphasise both clinical practice and science-based education to ensure well-rounded veterinarians
- Jointly developed with Cornell University and modelled on their curriculum
