The Department of Advanced Design and Systems Engineering MSEM - Entrance Scholarships

Regulations

The Department of Advanced Design and Systems Engineering offers scholarships for its MSc in Engineering Management (MSEM) students from the Departmental Non-UGC Reserves with effect from the academic year 2013/14. The following regulations shall apply as of 2021/22:

1. The Scholarships shall be known as “**The Department of Advanced Design and Systems Engineering MSEM - Entrance Scholarships.**”
2. A maximum of two MSEM- Entrance Scholarships will be awarded in each academic year. The value of each award shall not exceed HK\$25,000.

Scholarship awarding criteria:

Considering the applicants’ CGPA or average mark in their bachelor-degree programs, the ranking and reputation of the degree-granting universities, related work experiences, taking dissertation in MSEM, etc.

3. Eligible applicants for the scholarships shall be those who have been admitted to the MSEM in Engineering Management in 2021/22.
4. The Scholarships to full-time students shall be disbursed to the duly registered recipients by two equal installments in the year of admission: one after the full payment of tuition fee for Semester A and completion of Semester A studies, and the other after the full payment of tuition fee for Semester B and completion of Semester B studies.
5. The Scholarships to part-time students shall be disbursed to the duly registered recipients by two equal installments: one in the year of admission after the full payment of tuition fee for Year 1 and completion of Year-1 studies, and the other after the full payment of tuition fee for Year 2 and completion of Year-2 studies.
6. In case the scholarship recipients are unable to continue their study at the University of Semester B in the same academic year, they are required to refund the scholarship to the Department in full amount in one go.
7. The Department of Advanced Design and Systems Engineering has sole discretion to decide the awardees according to criteria set by the Department. The Department of Advanced Design and Systems Engineering also has sole discretion to add additional criteria, which may be set by the Department at any time.
8. The Department reserves the right not to offer the awards in any given academic year.
9. Nominations by the Department of Advanced Design and Systems Engineering shall reach the Student Development Services in mid-November of the academic year for which the Scholarships are designated.

10. By July every year, the Department of Advanced Design and Systems Engineering will confirm with the Student Development Services whether the Scholarships will be offered in the following academic year.

Remark:

With an objective to nurture our students and to promote caring culture, the Community Relations Committee of the University Council has recommended that each award recipient is expected to make an annual donation of at least HK\$200 to City University of Hong Kong for student support via CityU Alumni Giving Club when they are in employment after graduation. This term has been incorporated into all scholarship/prize/award/bursary schemes, whether they are donated by external donors or contributed by University funding, with effect from February 2008.
