

**BSc in Biomedical Sciences (BScBMS)**  
**Recommended Study Plan For Normative 4-year Degree**  
**For Students Admitted from Semester A 2025/26 and thereafter**

Version as of  
2025-08-25

Year 1		Year 2		Year 3		Year 4	
Semester A	CU's	Semester B	CU's	Semester A	CU's	Semester B	CU's
CHEM1300 Principles of General Chemistry *	3	PHY1400 Introductory Physics for Biologists*	3	BMS3002 Cellular Pathology	3	BMS3005 Medical Genetics	3

**Minimum number of credit units required: 121**

- Note:**
- (1) Students should pay special attention to the prerequisite of courses as specified in the syllabuses.
  - (2) The curriculum information is subject to periodic review and changes.
  - (3) Clinical Laboratory/Industrial Attachment is with full time/day schedule. Students have to show up at host labs from Monday to Friday day time and are unable to attend any day-time course sections during the attachment.
  - (4) Some Clinical Laboratory/Industrial Attachment opportunities will be open in Year-3 Summer for students' application and participation.
  - (5) Please expect that you might start your final year project from Year-3 Summer, as you will be occupied for the Clinical Laboratory/Industrial Attachment assigned in Year-4 Semester B.

#	Students who intend to choose the BMS major are advised to take CHEM1200 in the first year which is a prerequisite for a core course schedule in Year 2 Semester A.
▲	<b>Gateway Education – University Requirements (10 Credit Units)</b> – Students are recommended to register in these courses in their first year of study or as soon as possible.
*	<b>Gateway Education – College/School-specified Requirements (9 Credit Units)</b>
§	<b>Gateway Education – Distributional Requirements (12 Credit Units) minimum 3 credit units from each area:</b> <a href="#">Area 1: Arts and Humanities</a> ; <a href="#">Area 2: Study of Societies, Social and Business Organizations</a> ; <a href="#">Area 3: Science and Technology</a>
■	Timeslot and allocation of the Final Year Project may be subject to change.
◆	Timeslot and allocation of the Clinical Laboratory/Industrial Attachment are subject to change according to host lab availability.
IP	"In Progress" for a year-long course

Degree Requirements	Normative 4-year Degree
Gateway Education requirement	31 credit units
College/School requirement	Not applicable
Major requirement	90 credit units (Core: 90 + Elective: 0)
Free electives / Minor (if applicable)	Remainder to fulfill the credit requirement for graduation, if any.
<b>Minimum number of credit units required for the award</b>	<b>121 credit units</b>
