### Introduction

To provide an opportunity for Hong Kong youths to broaden their horizons by experiencing foreign culture through living and working temporarily overseas while holidaying, the Government of the Hong Kong Special Administrative Region (HKSAR) has established bilateral Working Holiday Scheme arrangements (the Scheme) with the Government of New Zealand, Australia, Ireland, Germany, Japan, Canada, Korea, France, the United Kingdom, Austria, Hungary, Sweden, the Netherlands and Italy respectively.

Under the Scheme, participants may stay in the host economy for an extended period and are allowed to take up short-term employment, or even enrol in short-term course(s) (except Ireland).

The Scheme aims to enable our youths to gain invaluable experience while holidaying and working abroad, which would help strengthen their self-confidence, resilience and inter-personal skills.
