Teaching and Learning Activities (TLAs)

TLAs	Brief Description	CILO No.	Hours/week (if applicable)	
1	Lectures & In-class activities	Besides the scheduled lectures, in order to promote active and discovery learning, students will be engaged in in-class group activities, e.g. group discussion, simple quizzes and debate.	1, 2, 3, 4, 5	
2	Reading	Books, articles and websites related to the topic.	1, 2, 3	

3	Tutorial Presentation & Discussion	All tutorials are topic oriented. Students are expected to study the recommended readings in advance, and all will have a chance to act as presenter and discussant throughout the course. Teachers will assess students' analytical skills and their understandings of assigned readings. Tutorials ensure that sufficient opportunities for teacher-learner' s interaction and peer discussion are provided. Group presentations and discussion will be conducted into the tutorials. They will submit in written form a revision of the presentation after receiving comments from the teachers and discussants. Both the oral and written presentations will be assessed. Students assigned as discussants will take part in active discussion of the topics right after the presentation. They will submit to the lecturer their comments and discovery in written form.	2, 3, 4, 5
