Assessment Rubrics (AR)**Assessment Task**

1. Class Participation and Performance

Criterion

This assessment will grade on rationality, clarity and fluency of argument and comment. The threshold of 'discovery' lies in a student's ability to negotiate a position that is informed, defensible, and standing on personal insight.

Excellent (A+, A, A-)

- Active in-class participation, positive listening, strong ability to stimulate class discussion and comment on acting
- Interpret others' views with an open mind and ready to negotiate
- Readiness to share personal insight via analysis and synthesis with informed views
- Constructively critical, thus facilitating the discovery of new issues
- Rich content, excellent ability to interpret and integrate various resources
- Precision in argument, well defined and reasoned points of view grounded in insightful interpretation of existing literature
- Discussion shed light on new dimensions of the issue

Good (B+, B, B-)

- Active in-class participation, positive listening, ability to initiate class discussion and comment on acting

- Interpret opinions effectively
- Adequate content, sufficient ability to integrate various resources based on demand
- Clear elaboration of ideas that sticks to the point, with clearly differentiated issues, ability to interpret opinions independently

Fair (C+, C, C-)

- Attentive in in-class participation, listening with comprehension, but only infrequently contributing
- Fair ability in interpreting opinions
- Adequate content, fair ability to integrate various resources based on demand
- Relevant points made to the subject matter in question
- Ability to respond to others and engage in class discussion

Marginal (D)

- Unmotivated to participate in acting in class or comment on other people' s views
- Poor ability in interpreting opinions
- Weak content, limited use of resources
- Relevant points to the subject matter, marginal ability to interpret opinions
- Ability to respond to others in simple terms

Failure (F)

- Unwilling to participate in acting in class and comment on other points, even when requested by the teacher
- Minimal ability in interpreting opinions
- Inadequate content, no/ irrelevant use of resources
- Irrelevant points to the subject matter, no ability to interpret opinions
- Fail to respond to others

2. Acting Assignment

Criterion

Students should demonstrate ability to utilize primary and secondary sources, execute creative ideas and projects. The threshold of 'discovery' lies in a student' s proactively turning theory into praxis, to transform course material into self-owned authorship.

Excellent (A+, A, A-)

- Work has strong affective quality and the articulation of personal styles and signature
- Excellent appreciation, exploration and/or application of the aesthetic and expressive qualities of the medium
- Work raises questions and instill insights about the process of conception, creative strategization and performance
- Efficient adjustment of plans and strategies in response to resources (time, space, etc) available with constructive adjustment

Good (B+, B, B-)

- Strong appreciation, exploration and/or application of the aesthetic and expressive qualities of the medium
- Ability to create performance that demonstrates the processes of thinking and creative exploration
- Proper adjustment of plans and strategies in response to resources (time, space, etc) available and constructive feedback/ suggestions

Fair (C+, C, C-)

- Basic appreciation and/or application of the aesthetic and expressive qualities of the medium
- Limited ability to create performance that demonstrates the processes of thinking and creative exploration
- Adjustment of plans and strategies in response to resources (time, space, etc) available

Marginal (D)

- Marginal appreciation of the aesthetic and expressive qualities of the medium

- Marginal ability to create performance that demonstrates the processes of thinking and creative exploration
- Limited adjustment of plans and strategies in response to resources (time, space, etc) available

Failure (F)

- No appreciation of the aesthetics and expressive qualities of the medium
- Fail to create performance that demonstrate the processes of thinking and creative exploration
- Minimal adjustment of plans and strategies in response to resources (time, space, etc) available
