COLLEGE OF BIOMEDICINE SUMMER CAMP 2026

7 JULY 2026

DAY 1

- 09:15 Gathering
- 09:20-09:30 Registration
- 09:35-09:45 Opening Ceremony
- 09:45-10:15 Lecture - What Are Viruses and How Can We Combat Them?
- 10:15-10:30 Break + Refreshment
- 10:30-11:00 Lecture - The Magical Small World: Why Are Microorganisms Important to Us
- 11:15-12:45 Lab-Based Workshop
a. <Microfluidics with fun> or
b. <Discover the Clinical Laboratory: How Tests Help Doctors Diagnose>
- 13:00-14:15 Welcome Lunch
- 14:30-17:30 Lab-Based Workshop
a. <Biomechanics, Bioelectrics and micro-fabrication> or
b. <ELISA: COVID Virus Detection - Simulation>

8 JULY 2026

DAY 2

- 09:15 Gathering
- 09:20-09:30 Registration
- 09:30-10:00 Lecture - To Sleep or Not to Sleep Before Exams: That Is the Brain's Question
- 10:15-11:45 Lab-Based Workshop
a. <Discover the Clinical Laboratory: How Tests Help Doctors Diagnose> or
b. <Microfluidics with fun>
- 12:00-13:00 Lunch
- 13:15 Gathering
- 13:15-16:15 Lab-Based Workshop
a. <ELISA: COVID Virus Detection - Simulation> or
b. <Biomechanics, Bioelectrics and micro-fabrication>
- 16:15-16:45 Brief Programme Presentation
- 16:45-17:00 Presentation of Certificate of Completion
- 17:00-18:00 Dialogue with Professors and Students

Contingency Plan:

In the event that circumstances require a change in scheduling, the summer camp may be rescheduled or cancelled as determined by the College.
