

Joint Bachelor's Degree Programme

between

**City University of Hong Kong
and CentraleSupélec,
Paris-Saclay University**

The Joint Bachelor's Degree Programme between the College of Computing, City University of Hong Kong (CityUHK) and CentraleSupélec, Paris-Saclay University (CentraleSupélec) provides students with a unique opportunity to gain international exposure, interdisciplinary knowledge, and a competitive edge in the global job market.

- The joint bachelor's degree programme is designed to leverage the strengths of both institutions in **Computer, AI, Data Science and related disciplines**.
- Students may choose to begin their studies at either CityUHK or CentraleSupélec. Students will spend two years at the incoming institution and continue their studies at the partner institution.
- Students who complete the undergraduate curricula of both CityUHK and CentraleSupélec will graduate with two bachelor's degrees, one from each university.

ABOUT CENTRALESUPÉLEC, PARIS-SACLAY UNIVERSITY

CentraleSupélec, a public engineering school, comprises four campuses in France (Paris-Saclay, Metz, Rennes, and Reims) with more than 5,000 students, including 3,800 engineering students, and brings together 18 research units. Highly internationalised, the school has established over 170 partnerships with the world's leading institutions. As a leading higher education and research school, CentraleSupélec is a benchmark in engineering sciences and systems, ranked among the best global institutions. It co-founded the University of Paris-Saclay in 2020.

2nd Best School of Engineering in France
[L'Usine Nouvelle 2026]

13th Worldwide in Global University Ranking
[ARWU 2026]

2nd in Mathematics
[ARWU 2026]

7th in Physics
[ARWU 2026]

ACADEMIC STRUCTURE

- Years 1 and 2: Study at the incoming institution (either CityUHK or CentraleSupélec).
- Years 3 and 4: Study at the partner institution.
- Internship requirements: Complete the **internship** in the specified semester/term set by both institutions.
- Upon completion: Conferred with **two award certificates**, one from CityUHK and one from CentraleSupélec.

APPLICATION

Shortlisted candidates will be invited for an interview.

FIRST-YEAR ENTRY

Students who meet both the general entrance requirements and programme-specific requirements for CityUHK and CentraleSupélec are eligible to apply for admission.

THIRD-YEAR ENTRY

Students of CityUHK enrolling in the Bachelor of Science in Computer Science or Bachelor of Science in Data Science will be invited to submit an internal application in Semester A of their second year of studies at CityUHK.

FINANCE & SCHOLARSHIP

Students will pay tuition and fees to the institution in which they are enrolled. Eligible students may apply for scholarships at both institutions.
