Department of Advanced Design and Systems Engineering

Dr Alan CHAN is re-appointed as the Chairman of the Occupational Safety and Health Council (OSHC) for two years. Established under the Occupational Safety and Health Council Ordinance, the OSHC is a statutory body for promoting safety and health at work and sustaining the valuable workforce of Hong Kong.

Department of Biomedical Engineering

Prof SUN Dong was elected a Member of the European Academy of Sciences and Arts in the Technical and Environmental Sciences class for his exceptional standing in society. The membership election is a competitive process, involving a 3-level evaluation system and an election of the Senate based on the recommendation of each level.

Department of Computer Science

Prof WANG Cong received the fellowship award under the RGC Research Fellow Scheme (RFS) 2021-22. The RFS provides funding to relieve outstanding researchers from teaching and administrative duties so that they can be fully dedicated to research and development. Prof WANG will receive a grant close to HK$5.2M for a period of 60 months starting from January 2022.

Department of Electrical Engineering

Mr CHENG Yuk Shing, Mr TANG Chun Ki and Mr WONG Tat Chee, under the supervision of Dr Alan LAM, won awards at 3 different innovation competitions:
- 2nd Prize in the category of Life Science in the 7th HK University Student Innovation and Entrepreneurship Competition, organised by the HK New Generation Cultural Association
- 2nd Runner-up (Tertiary School Team) in the HK Electronics & Technologies Association’s Innovate for Future competition
- Certificate of Merit in the HK Institution of Engineers’ Innovation Award 2021

Department of Mechanical Engineering

Dr XU Wanghuai, a recent PhD graduate, received the RGC Postdoctoral Award 2021-22 for his pioneering research on the development of a novel droplet-based electricity generator for advancing scientific research into water energy generation. Dr XU was the only recipient from HK. The other 9 winners were all from top universities in the US.

Department of Occupational Safety & Health Council

PhD graduate Dr JIANG Yiqi, PhD student Mr WANG Shuai together with their supervisor Dr LI Shuaicheng received the Best Paper Award for their co-authored paper “A framework to trace microbial engraftment at the strain level during fecal microbiota transplantation” in the 9th International Conference on Intelligent Biology and Medicine.
