

Department of Chemistry

Research Degree Programmes

The Department of Chemistry (CHEM) at the City University of Hong Kong (CityU) welcomes and invites applications for PhD programme.

Interested applicants are suggested to contact individual supervisors first. For your proposed supervisor in the Department of Chemistry, please visit <http://www.cityu.edu.hk/chem/academic.html>.

For admission detailed information, please visit the School of Graduate Studies:
<http://www.sgs.cityu.edu.hk/prospective/rpg/>.

Thank you for your attention.
