Science Summer Camp 2021

(for Prospective PhD students)

Organized by the College of Science at CityU, the Science Summer Camp aims to bring together those who plan to embark on PhD studies in science and related disciplines. Students in our PhD programmes will normally receive full studentship throughout the 4-year candidature.

Date: 13-14 July 2021 (Two Half-Day Sessions)

Highlights of activities:

Research seminars, introduction of research degree programmes at CityU, information sessions on HKPhD Fellowship Scheme, meeting with supervisors, etc.

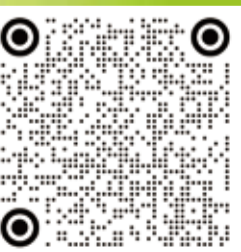

Who can apply?

Local and non-local students who:

- are currently undertaking (in his/her final year of study in 2021/22) or hold a higher degree by research/ Master's degree/ Bachelor's degree in chemistry, mathematics, physics and related disciplines;
- achieved top ranking in class;
- have the potential to fulfill/ have fulfilled CityU's English proficiency requirement¹ (those who have met the requirement will receive priority consideration); and
- intend to apply for admission to CityU's PhD programmes in 2022/23.

Application deadline: 31 May 2021

(Applications received after the deadline will be considered on a case-by-case basis.)

How to apply?
