INTRODUCTION
This Mentorship Programme ("the Programme") is organized by the Environmental Protection Department (EPD) of the Hong Kong Special Administrative Region Government. It aims to provide undergraduate students with the opportunities to meet our expertise so as to enhance their educational, social and personal growth through guidance and supports from their mentors.

OBJECTIVES
- To provide an opportunity for students to learn more about the careers in the environmental discipline; and
- To enhance personal development of students through interactions with their mentors.

ELIGIBILITY
Local students in their second year to final year of undergraduate degree in academic year 2020-2021, preferably with engineering and/or environmental science background, are eligible to apply.

OUR MENTORS
Mentors are expertise in the EPD, with experience in the environmental discipline, such as waste management, air quality, water quality, noise, and environmental impact assessment etc.

MENTORSHIP & ACTIVITIES
The Programme will last for 12 months during the academic year 2020-2021. During the mentorship period, both mentors and mentees are encouraged to meet in a quarterly basis as mutually agreed. An opening and closing ceremony will be arranged to kick start and wrap up the Programme respectively. Also, participants will also be invited to partake in our upcoming outreach and public engagement activities.
