

Statute 2: Making and Revision of the Statutes

1. Under the Ordinance, the Council may make Statutes for the administration of the University and for matters that the Ordinance provides for inclusion in a Statute.
2. The Council shall appoint a Committee on Statutes comprising an equal number of members from the Council, the Senate, and the Management Board for the purpose of considering proposals to make new Statutes, or to revise existing Statutes.
3. The approval by the Council of any proposal to introduce new Statutes, or to revise existing Statutes, must be passed by the votes of not less than three quarters of the members present and voting.
