

Connecting Windows 8 to “eduroam”

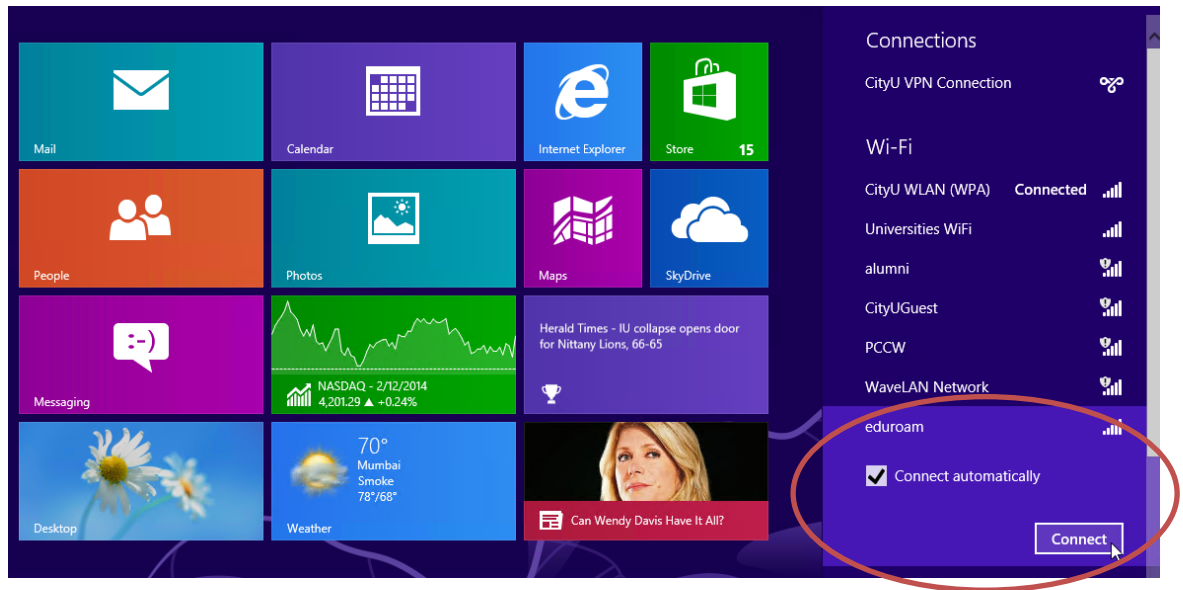

a) Select the cog icon “Settings”

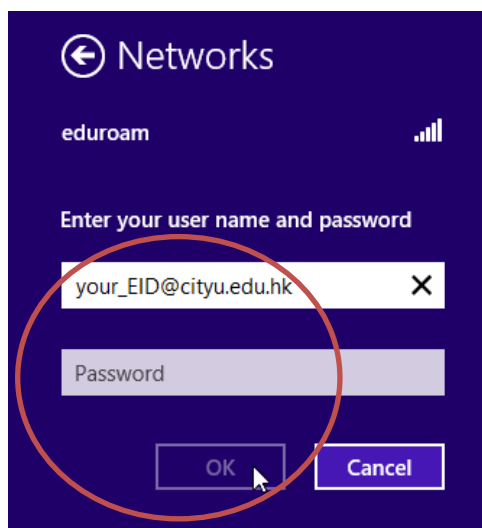

b) Click the "Wireless Network" icon to list the available wireless networks in range

c) Select "**eduroam**" and then click the "**Connect**" button to establish connection.

d) Enter your **EID** with "**@cityu.edu.hk**" suffix, **network connection password** and press the "**OK**" button to login.

A security alert box may be displayed. You may click the "**Show certificate details**" link to check whether you are connected to any one of the following authentication servers:

- 1) Radius Server: ciias.ad.cityu.edu.hk
- 2) Radius Server: ciiis1.ad.cityu.edu.hk

Click the "**Connect**" button to continue.

e) You can now access the Internet upon successful logon.
