

Current Openings

Join NAMI. Be a Materials Expert!

Headquarters

- NAMI Silvertips Engineer Trainee Program

Energy

- Senior Engineer /Engineer – Textile Technology
- Senior Engineer / Engineer - Sustainable Fiber and Fabric
- Technical Manager / Project Leader – Net-zero Technology

Environmental

- Senior Engineer / Engineer – Recirculating Aquaculture System
- Technical Manager – Environmental Technologies

Construction

- Senior Engineer /Engineer – Polymer Based Construction Materials
- Senior Engineer / Engineer – Additives for Bituminous Pavement
- Senior Technical Manager / Technical Manager / Principal Engineer - Cement Chemistry / Coating Chemistry / Advanced Composites

Electronics

- Senior Engineer / Engineer – Software & Electronic Design
- Project Leader / Principal Engineer / Senior Engineer – Polymer Design, Synthesis, Modification, Processing Technology
- Technical Manager / Project Leader / Principal Engineer – Sensing Technology / Electronic Materials

Healthcare

- Senior Engineer / Engineer – Probiotic Scale-up
- Senior Engineer / Engineer – Functional Polymer
